Hi Darrin,

Thanks for returning my call so quickly this afternoon. I'm glad we had a chance to talk as I now have a better understanding of the issues/concerns that you are dealing with. I'm working on digging up some of the screening values I mentioned for metal levels in agricultural uses of surface water, including irrigation and consumption by livestock.

Please feel free to contact me via email or phone with any questions or concerns. In case I'm not in the office, my cell phone number is Personal Phone/Ex. 6
